Painting proposal for: [Client name]

Property: [Address]

Prepared by: [Name, phone, email]

Date: [Date] Valid until: [Date]

A short note to the client

Thank you for showing us the property. This proposal sets out what we understood you want, what we will do, the options we recommend, and what happens next. [Two or three sentences in your own words about what the client said mattered to them.]

What we heard

[The client goal in their words: for example, getting the house ready to sell, or fixing peeling trim before winter.]

[Anything they were worried about: schedule, mess, pets, colors, disruption to a business.]

Scope summary

See the scope table. The full scope of work is attached and forms part of this proposal.
